

*The South Saskatchewan First Responder Conference Committee
Is hosting its 19th annual Emergency Medical Practitioner's
Development / Recert weekend:*

Jan. 25, 26, 27, 2019.

Carry on the tradition by supporting our annual conference

This weekend has been set up to help Saskatchewan First Responders and maintain their minimum level of training and introduce them to some new skills. These skills may be used in any emergency situation the First Responder may encounter.

First Responders are true dedicated volunteers in the community who give freely of themselves in emergency situations. They are from all areas of the province and they may show up at a pipeline accident, power pole down, motor vehicle collision, medical crisis, fire standby or special event first aid stations. They respond to any emergency or potential emergency that may arise. First Responders are the first line of help in a crisis and are usually on scene within 10 minutes of receiving the call. Often they are required to help friends and neighbours until the ambulance arrives.

These dedicated volunteers depend on the generosity and help of local fund raising to support their groups. The local health Regions also provide support to the First Responder groups in the form of in-service training, disposable supplies and cooperative group pricing. This varies from health region to health region and is of course subject to available funding within a given region. These are true volunteers who are not paid for their efforts and often costs them to respond (i.e. *vehicle mileage, gas, time away from work, etc.). This is why we look for support for our true dedicated volunteers. In order to help offset some of the cost of this development weekend and to decrease the financial burden on our First Responder groups we are actively looking to corporate sponsorship. We have developed several sponsorship packages. Any support is welcome. Depending on the amount of your contribution your corporate name will be displayed prominently at the various venues. Trade show displays are also welcome.

These groups are worthy of your support. We are asking for your assistance for this event. Please review the corporate packages, and at you earliest convenience, Respond with the intended amount of your contribution. Thank you for your contribution to this project.

Should you have any questions please feel free to contact us at the following:

- _ Certificate of thanks;
- _ Recognition at various program events.

Sponsorship Packages

Shared sponsors:

We are now entertaining the shared sponsorship approach if you want to sponsor another amount or like your name exclusively on a portion of the event we would combine smaller donations for coffee breaks nutrition breaks etc. let us know your pleasure. For example last year we had 3 groups combine to support our refreshment table and nutritional break

Prize sponsors:

We are aware that the sponsorship packages may not appeal to all of our sponsors so we also accept prize donations or, any monetary donation to support portions of our event. This may be more appealing to your budget for this year.

Prizes are used to reward our participants for their participation for the weekend with door prizes. As well as reward our instructors who have volunteered their time to come and teach.

Some prizes that we have received in the past include Satellite dish, paintings, parkas, first aid kits, gift baskets, soap sets, medical rescue equipment to name a few..

Prize sponsors are recognized for their contributions and the prizes donated.

OR you may choose to provide monetary donation to support a portion of our event such as nutrition breaks

Equipment Sponsors :

We also wish to thank all of our supporters who have graciously donated training equipment to this event. This equipment allows us the freedom to provide adequate practice time for all the responders. If you have equipment or you would like to donate to this event please contact us for our needs

We Thank-You for taking the time to review our sponsorship opportunities

We appreciate your support of this worthy project.

Please return/submit application to above address with cheques payable to "S.S.F.R.C.C".
